## US, Britain Offer Aid To Build Dam On Nile

Attempt  
To Beat Red  
Offensive

WASHINGTON (AP) — The United States and Britain countered Russia's Mideast political offensive Saturday with a 70-million-dollar offer to help Egypt begin building one of history's greatest dams at Aswan on the upper Nile River.

Of the initial 70 million dollars, 56 million would be given by the United States and 14 million by the British.

The two Western powers further assured the Egyptian government that they are prepared to put up more money—possibly another 130 million—to carry forward the project after the first phase of work is well started. This latter pledge is subject to approval by Congress.

The construction of a great dam at Aswan—it would be three miles long, 365 feet high and create the greatest man-made lake in the world—has long been an Egyptian dream. The Western powers have considered assisting in the work for several years but their studies were speeded up by Russia's wounding of the Arab world and particularly by Communist Czechoslovakia's agreement to sell arms to Egypt.

The Western powers decided against engaging in an arms race with the Reds in the Middle East but determined that by economic means they could seek to beat the Russian game. Officials regard the Aswan dam offer as spectacular evidence of Western willingness to work with a Middle Eastern country in building up its peaceful economy and raising the living standards of its people.

Russia is reported to have offered to furnish all outside assistance to the Egyptians under a 50-year loan at 2½ per cent interest.

The gigantic Aswan Dam, engineers estimate, will take 15 to 18 years to build. It will create a lake three times the size of the largest reservoir so far built up by a man-made structure—Lake Mead behind the Hoover Dam.

The waters stored by the Aswan barrier would convert 1,300,000 acres of arid land into tillable soil for the first time and assure a dependable water supply to 700,000 acres now irregularly irrigated. The effect would be to increase Egypt's agricultural land total by 33 per cent. In addition, the waters of the dam would generate nine billion kilowatts of electrical capacity, almost equal to 50 per cent of the total capacity now available in Egypt.

State Department officials said this probably would be the greatest single construction ever undertaken so far as they knew. In the land of the Pyramids, great projects are not without precedent, but the huge Aswan Dam would dwarf even the tombs of the Pharaohs.

**TWO DIE IN PLANE CRASH IN SOUTH CAROLINA**

CHARLESTON, S.C. (AP) — The State Highway Patrol reported a "commercial type" plane crashed near Hollywood, a village 17 miles southwest of here.

First reports said two bodies had been removed from the wreckage, which burned after the crash. One body was said to be that of the pilot.

**BACK DOOR PATROL**

AUSTIN, Tex. (AP) — Patrolmen Chester Finch and Ralph Miller reported in making an arrest:

"Went to suspect's house; his wife said he was gone, but Officer Miller was at the rear of the house when he came out."

## Big Fight In Congress Looms Over \$5 Billion Foreign Aid Proposal

WASHINGTON (AP) — Legislative leaders reacted with astonishment today to reports that administration officials are considering asking Congress for nearly five billion dollars in new foreign aid money next year.

A strenuous struggle appeared certain in Congress if such a request is actually forthcoming.

Officials said the plan calls for stepped-up military and economic aid to other countries with a new appropriation (\$24 billion) higher than the amount voted for the current year. The program was said to be aimed in part at countering Russia's new tougher policies.

High authorities said the proposal has been cleared by all interested government agencies but President Eisenhower could still change it.

Chairman George (D-Ga) of the Senate Foreign Relations Committee, evidenced complete surprise when reached by a reporter at his Vienna, Ga. home. But he said he would withhold comment until he receives some official figures.

Chairman Byrd (D-Va) of the Senate Finance Committee, reacted similarly at his home in Berryville, Va. Byrd said he wants to consult with Budget Bureau officials next week before making any statement.

George and Byrd were among those who attended a White House briefing on foreign aid defense meeting last Tuesday. At least three of the conferees said afterward that President Eisenhower and his aides had assured the congressional leaders then that only a slight increase over this year's \$2,700,000,000 foreign aid appropriation would be asked.

There seemed little doubt that George and Byrd would join forces against any such increase as is said to be under contemplation. This is understood now to include nearly two billion in new money for economic aid and about three billion for military assistance.

Byrd has come out against any new appropriation for economic aid. George has said there might be some special instances where economic assistance could be justified but that the program should be tapered off.

Sen. Langer (R-ND), a Foreign Relations committee man, was one of the few willing to comment publicly. He said he is "100 per cent" against any such foreign aid program."

"We could much better use these funds for roads, veterans, public health or increasing old age benefits," Langer said. "That five billions is four times as much aid as we now give under all the farm programs. With farm income at low levels, we must give that attention first."

## Will Not Accept Vice Presidency, Kefauver Says

PHILADELPHIA (AP) — Sen. Kefauver (D-Tenn.) said Saturday he would not accept his party's vice presidential nomination under Adlai Stevenson or any one else.

Kefauver, who announced Friday that he was a candidate for the presidential nomination, told news-

men:

"I've made up my mind that I want to be president and I won't accept an alternative. If I am not successful in getting the nomination, I want to go back to the Senate."

The senator said he has not made up his mind whether to oppose Stevenson in the Pennsylvania primary. Stevenson, who was the unsuccessful Democratic presidential nominee in 1952, has also announced his candidacy.

"We sympathize with your attitude on Pushtoonistan. We also feel that Pathan tribesmen should be consulted on this issue."

## Cyprus Use Decoy Hearse To Fool British Troops

NICOSIA, Cyprus (AP) — Cyprists used a decoy hearse Saturday to hoodwink British troops and police on the alert for demonstrations at the funeral of a slain leader in the guerrilla campaign for union with Greece.

The authorities had slapped a ban on more than 50 mourners following the funeral procession of Haralambos Mouskos, a cousin of Archbishop Makarios. The Greek Orthodox archbishop is leader of the Enohsion (union with Greece) movement, and Mouskos was slain in the ambush of a British jeep. He had a price on his head when killed.

When the funeral cortege appeared in Nicosia's Metaxas Square, troops and police dispersed the 200 mourners with tear gas; a few minutes later, another procession of 200 mourners marched out of an unguarded gate of the old city with the real coffin, and proceeded unhindered to the cemetery.

Troops were on the alert for fear Archbishop Makarios would convert the funeral into a demonstration. The archbishop was at the funeral but did not speak. The bishop of Kitium conducted the service, and praised Mouskos as a martyr.

"Cyprus crowns its heroic child who sacrificed his life, with laurel leaves of admiration and myrtle leaves of grief," the bishop said. "The tyrant fights freedom and kills its defenders all in vain. The more martyrs' graves there are, the nearer freedom will come."

George and Byrd were among those who attended a White House briefing on foreign aid defense meeting last Tuesday. At least three of the conferees said afterward that President Eisenhower and his aides had assured the congressional leaders then that only a slight increase over this year's \$2,700,000,000 foreign aid appropriation would be asked.

To that toll of 18 dead in four instances of tragedy were added 6 other fire deaths for a total of 14 fire deaths, 5 other traffic accidents for a traffic toll of 15, and 1 death from exposure to sub-freezing temperatures.

Fire which raced through a 10-room, frame nursing home at Beaumont killed Mrs. Emma L. Harper, 82; Mrs. Malathann Cox, 80; Mrs. O. E. Perry, 76, and Mrs. Annie Kratzer about 90.

Beaumont Fire Chief Steve O'Connor said six other elderly residents of the home were rescued. One, Mrs. Etta Redman, 77, was severely burned. O'Connor blamed the fire on a defective heater.

The five killed at Hallettsville were on their way to the Weslaco-Hillsboro schoolboy football game, winner of which plays in a state championship. They were James Allen Holmes, 48, his wife, Clemantine, 46; Robert Edwin Martin, 48; his son, Thomas Fred Martin, 18, and a woman tentatively identified as Mrs. Thomas Fred Martin.

Four members of a Greenville, Tex., family were among the five killed in the head-on two-car crash 10 miles south of Belton.

The dead: Mr. and Mrs. Rufus Love; their two sons, Rufus, Jr., 15, and Sammie, 13; and Sgt. Joseph P. Lyvers, 24, Loretta, Ky., a soldier stationed at Ft. Hood, Tex. Love, 50, was a Greenville manufacturer. Lyvers was in the other car.

Burned to death in the fire which swept their Quonset hut home near McAllen, Friday were Maria Del Rosario Moncerra, 9 months old; Maria De Moncerra, 2; Amadeo Mercado, 7 months old, and Eva Mercado, 3. They were children of two families living in the hut.

MOTHER GETS BULLET INTENDED FOR SON

EARLINGTON, Ky. (AP) — Mrs. Louise Smith, 38, was critically wounded Saturday when she stepped in front of a pistol leveled at her son.

The father, Ezra Smith Sr., 43, was charged with shooting with intent to kill.

Constable James Todd said the son, Ezra Jr., 20, gave this story:

The father and mother became involved in an argument over ornaments on a Christmas tree they were preparing.

When the son intervened, Smith warned him to "keep out of this" and threatened to kill him.

Young Smith said his mother jumped between them when Smith produced a .25 caliber automatic and fired.

Todd said the shot hit her between the eyes.

DULLES PLEDGES AID TO UNIFIED EUROPEAN ATOM-FOR-PEACE POOL

PARIS (AP) — The United States moved on two fronts today to promote European union as a pillar of Western defense and to prevent a separate German nuclear power development which might endanger Western cohesion.

In a series of talks with European leaders, U.S. Secretary of State John Foster Dulles was reported to have pledged American support for a unified European atomic authority for peaceful industrial power and warned that this aid probably would be withheld from individual national programs.

Wilson To Discuss U.S. Progress In Atomic Missiles

WASHINGTON (AP) — Secretary of Defense Charles E. Wilson plans to tell the country—and the world—next week how the United States is organizing its race with Russia for atomic missiles supremacy.

His discussion at a news conference will be aimed primarily at interservice scuttling reports of inter-service maneuvering and rivalry in the missile field.

However, such a discussion also must touch on progress made in the urgent effort to produce workable long and intermediate range ballistic missiles, armed with fissile or thermonuclear warheads.

And whatever a nation says officially about its armament objectives has impact on its friends and potential enemies aboard.

The words become psychological weapons of the cold war.

Wilson and his service officials set out to make their announcement a week ago. But it occurred to military and diplomatic experts that this was on the eve of two important international sessions—a NATO meeting in Europe and the United Nations session where the question of new member nations was at issue.

The Pentagon laid aside the plan to issue a comparatively long detailed statement of the missile organizational program. Instead it issued a brief announcement saying only that there would be an expansion of development and testing facilities.

The central atomic agency is thus viewed as assurance to other European nations against any dangers of secret atomic production at some future date in Germany.

This point is hardly a problem now because Von Brentano and the whole Adenauer administration are ardently pushing the atomic pool project.

EVENING STAR

CHICAGO (AP) — Robert Hart knew something was amiss when he awoke Saturday morning to find it nearly as cold in his apartment as the 18-degree temperature outside.

He went to the basement to investigate.

During the night, he learned someone had broken in and stolen the oil burning unit from the furnace.

They were no breaks in the extensive Imperial Valley canal system.

In Brawley, merchants helped each other restore order in their disheveled shops. Police Chief J. H. Gabard predicted business would be back to normal by nightfall.

Kentucky's bituminous coal mines produce about 64,000 tons annually.

## Earthquakes Rock Imperial Valley In California

BRAWLEY, Calif. (AP) — Imperial Valley residents, cleaning up after the most damaging series of earthquakes here in 15 years, learned Saturday that the shocks may continue for several days.

More than 70 small to moderate

strong quakes have been felt since the first one at 7:44 p.m. Friday. The heaviest shock, at 10:18 p.m., reached a magnitude of 5.3. The strongest ever recorded anywhere was 8.6.

No injuries have been reported but residents of valley towns said they were developing "quake legs."

Seismologist Charles F. Richter of the California Institute of Technology said nine of the temblors were of magnitude 4 or over and 30 of them were 2.5 or more.

The quakes could continue for days, he said. In 1960, he added, damaging shocks occurred on three successive days in the desert valley, made rich by irrigation.

Brawley, with 12,000 population, was the hardest hit, with plate glass windows shattered in at least 20 stores, walls and plaster cracked and hundreds of dollars worth of merchandise dumped from shelves and tables.

Manager Wayne Robertson of the Chamber of Commerce estimated \$50,000 worth of damage in Brawley alone.

In nearby El Centro, a three-foot letter dropped from a sign onto a downtown street. Several buildings were cracked.

There were no breaks in the extensive Imperial Valley canal system.

Orders for 2,300 freight cars and 3 diesel-electric locomotives, estimated to cost \$21,170,000, have just been placed by the Wabash Railroad System. It was announced Saturday by Arthur K. Atkinson, president.

The equipment is being built for the Wabash, the Ann Arbor, and the New Jersey Indiana & Illinois railroads. It will consist of 2,000 box cars, 150 gondolas, 50 flat cars, 100 covered hopper cars and six diesel units.

All of the box cars will be equipped with shock-absorbing rubber draft gears to reduce coupling impact and lessen possibility of damage to lading in switching. One

hundred and fifty of the box cars will have nailable steel flooring between the doorways, the remainder having perforated steel plates. The new covered hopper cars will have roller bearing, one of the first applications on this type of car in interline service. The flat cars, which are for use in "Piggy Back" service, will also be equipped with roller bearings. Four hundred and fifty cars will be built in company shops, the remainder being purchased from car building firms.

The diesel-electric locomotives are being purchased from Fairbanks Morse & Company. Known as "Trainmasters," they will have 4,800 horsepower when assembled in two units. Each unit will be equipped with a steam generator so that it may be used either in freight or passenger service.

Gerald R. Brown, superintendent of Waverly schools, asks that parents calling for their children help the school in a traffic problem.

The school buses are to use the area immediately north of the gymnasium. Recently some parents have been parking in the area north of the gym, behind the buses. This practice invites accidents, since it takes a lot of room for the buses to turn there.

It is requested that all cars be parked east of the elementary building from 3:15 to 3:35 p.m.

## Areadia Woman's Club Opposed To District Change

The Christmas meeting of the Arcadia Woman's Club was held at the Arcadia hall Wednesday, Dec. 14. Mrs. Robert Daniels was hostess with a potluck dinner. The dinner tables were attractively decorated in keeping with the holiday season. Mrs. Lark Buck asked the blessing for the dinner. Twenty-four members and two guests, Mrs. Warren Daniels and Mrs. Lawrence Mallicoat, enjoyed the bountiful dinner.

The following group of day and night unit members, Mrs. John Edwin, Mrs. James Ford, Mrs. Edwin Helm, Mrs. Frank Hodaro, Mrs. Frank Reed, Mrs. Elmer Batty, Mrs. Joe Garner, Mrs. Maude Bowman and Miss Pearl Barnes attended a workshop session in Carrollton Tuesday night. Mrs. Lee Witt, night unit, Mrs. James Ford, day unit and Mrs. Eula Walkington, Pabylon unit, attended a potluck lunch and meeting at the farm home of Mrs. Cleo Reynolds near White Hall, Friday.

The president, Mrs. Harold Rolfe, opened the business meeting, following the dinner from the officers table which was appropriately decorated with a miniature church and boys choir. The group sang "O Come All Ye Faithful." Mrs. Charles Clark led the pledge and gave the devotions from the Bible, reading of the Christ Child. The group then sang "O Little Town of Bethlehem." Mrs. Clark closed the devotions by leading the group in repeating the Lord's Prayer.

Roll call was answered with a Christmas verse. The secretary read several correspondence notes. During the business period the club voted to send \$5 to the Illinois Cottage of the Park Ridge Girls Home and \$5 to the Illinois Cottage of the Marquette Boys Home, both projects of the Federated Clubs of Illinois.

Miss Grace Fitch, principal of the Franklin Elementary School was one of five leaders who guided the discussion groups at the workshop held on Nov. 17, 18, and 19. Ellis Braun, principal Lincoln Elementary School, Robert O. Adams, principal South Jacksonville Elementary School, and Oliver H. Buck, principal Jefferson Elementary School attended the workshop held Dec. 8, 9, and 10. Mr. Braun served as the recorder for one of the discussion groups.

The workshops were organized and sponsored jointly by the Illinois Curriculum Program and the Illinois Elementary School Principals' Association. Approximately 100 men and women from all over the State of Illinois gathered together at each of these workshops to discuss problems related to Elementary School Education.

The groups were largely composed of Elementary School Principals, but there were also school superintendents, county superintendents of schools, members of the State Department of Public Instruction, and members of the faculty of several State Colleges and Universities.

Gerald Miller, eighteen members and six guests enjoyed a bountiful covered dish luncheon. Delicious fruit cake, hot rolls and coffee and tea were served by the hostesses, Mrs. J. W. Cully and Mrs. Raymond Hardy. Mrs. Gertrude Funk, a guest, was honored with a birthday cake.

The afternoon meeting was opened with prayer by the leader, Mrs. Elmer Crabtree, after which she presented Mrs. Frances Plouer, devotional chairman. Mrs. Plouer gave the piano accompaniment for group singing of the Christmas carols "While Shepherds Watched Their Flock by Night" and "Silent Night," and then read the beautiful "Shepherd's Story" from the Curtis Christmas Stories and Legends.

The Missions program from "Bridges Between Two Worlds" was presented by Mrs. Joe Self, assisted by Mrs. Plouer and Mrs. Slaughter.

Following a short business session conducted by Mrs. Crabtree gifts were distributed from a beautifully decorated Christmas Tree.

The meeting was closed with a prayer song and the Missionary benediction.

## South Side Circle Entertained At Underbrink Home

Mrs. J. E. Underbrink entertained the South Side Circle at her home on Pine Street, Friday afternoon, with Mrs. W. W. Gillihan as assistant hostess, at the club's annual Christmas party and gift exchange.

Mrs. Underbrink's home was beautifully decorated for the Christmas season and the gifts were placed beneath a lighted tree. The president, Mrs. W. E. Hall, presided over a short business session at which time reports were heard from the secretary, Mrs. E. S. Hutson; the

treasurer, Mrs. George E. Baxter; and the courtesy fund, Mrs. R. H. Harper. A report on the fund for the Tree of Lights was also given.

Season's greetings from a former member, Mrs. T. Ray Baker, were read. The postponement of the next meeting was discussed as it falls on the date of the meeting of the United Council of Church Women.

The members were instructed to watch the papers for the date of the next meeting.

The program chairman, Mrs. C. R. Short, presented Mrs. George E. Baxter, who gave her program a Christmas story, "The Stairway to Happiness" by Miss Della Dimmitt, who several years ago was a resident of Jacksonville. The story was beautifully given, very inspirational and greatly enjoyed.

# CARS ARE MY LIFE

by: E. W. Brown

It used to be common to read in the newspapers of people who died from carbon monoxide poisoning while warming up their car in a closed garage. Because of the publicity, this type of accident has practically vanished.

But people are still dying, going to hospital, or coming down with what they think is "car sickness" because of deadly, silent, tasteless carbon monoxide.

You have to watch for it all the time, but especially in colder weather.

Gunning a cold engine produces clouds of carbon monoxide although you can't see the clouds, of course. Whenever combustion is imperfect, as it is more often in winter, more carbon monoxide is produced.

When you're in heavy traffic, it's an absolute must to either turn the heater off or open a window a good crack. It's never a good idea to have the car completely closed at any time, but it's far more dangerous when standing in heavy traffic, with the exhaust fumes of cars ahead of you entering through heater intakes.

Here is an idea of just how deadly carbon monoxide is. The gas is usually about 7 percent of the fumes leaving your exhaust; sometimes it's as much as 14 percent. Yet 5 100 of one percent is unsafe and 4 100 of one percent is usually fatal within an hour.

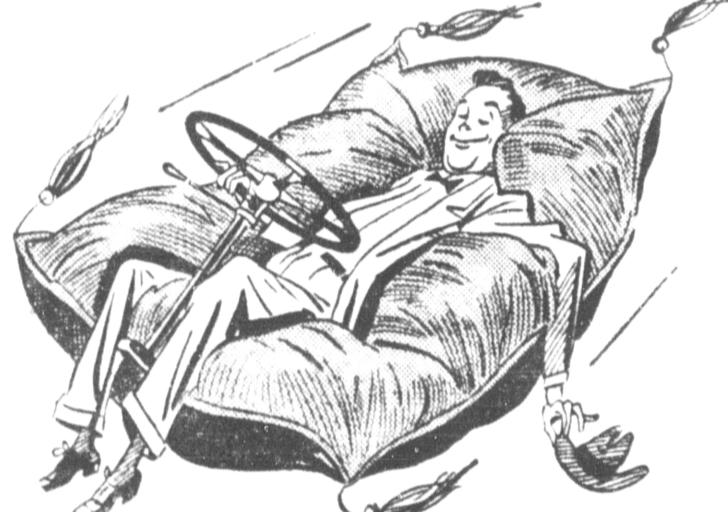

It's not something I get panicky about, but the danger of carbon monoxide alone is reason enough to have these precautions taken regularly: tune up the engine (so it will produce less carbon monoxide), have the tailpipe and muffler inspected regularly and check the floor for leaks.

Looking for a nice second car? Just traded for a '50 Plymouth sedan that's like new. Only 28,000 miles on this beauty.

## Francis' Gives Tip On What Not To Name That Little Boy Merritt Society Has Program At Baldwin Home

By F. H. BORDSEN  
AP Writer

If you haven't decided on what name to bestow on your little boy, present or future, take a tip from a battle-scarred veteran.

Don't saddle him with Francis, Or Marion, or Gail, or Shirley—or any name which is more commonly applied to the female of the species.

Name him Oscar, or Osiris, or Ludwig, or Carlos. Just lay off the "oh, but that's a girl's name" type.

Otherwise you're storing up trouble for your little one. I've got the experience to prove it.

On my first day of school, bearing a bit of paper on which my mother had written my name—"Francis," I was the target of snickers and giggles when the teacher listed me among the little girls in the primer class. Of course there was the fight in the schoolyard, and I got a bloody nose.

Nearly every year it was the same—new teacher but old routine of being listed among the girls and having to explain that "Francis" and "Frances" were, well, quite a bit different.

Even at home it wasn't always easy. There was the time a relative we'd never seen sent us gifts from the West Coast. My brothers got cap pistols. I got a girl's hanky. Fortunately, I was able to trade this with my older sister for her share of the peanut brittle.

Before entering college, I refused someone's suggestion that I adopt the name "Frank." And I paid for that youthful error.

In my first week as a freshman, I got the works. There were invitations to sorority teas. I was urged to try out for the women's choir

and even was assigned to the women's physical education class. During the war, while in correspondence with the Navy, I received glowing literature on the advantages of joining the Waves. Had to do that one up, too.

Right then I decided to use my initials. And I've stuck by it.

It works except when the government, or department stores, or utilities require the full name.

Then it's the same old thing.

I broke in fast "Heie."

"Glad to know you," he said.

"I've got the same name. So's my boy."

"And you call him that?" I asked.

"Now. We call him Frank."

I named my son John. I know when I'm licked.

ALTRUSA CLUB MEETS AT LAIR HOME

Altrusa Club held a Christmas party at the home of Mrs. Lucille Lair Monday evening, Dec. 12.

The members ate a potluck dinner including turkey with all the trimmings. A white elephant gift exchange was held afterwards.

Mercury, Venus, Mars, Jupiter, and Saturn are the planets which can be seen without a telescope.

The December meeting of the Merritt W. S. C. S. was held at the home of Mrs. Roy Baldwin with Mrs. Karl Longenbaugh assisting. The president, Mrs. Robert Reed, opened the meeting with the Lord's Prayer. The secretary, Mrs. Dolle Lizenby, called the roll and 19 members and one guest were present.

Mrs. William Boaster repeated a Bible verse. Mrs. Verenna Berry, treasurer, gave the financial report. Communications and a note of appreciation were received from Mrs. Goodell and read. Mrs. Goodell has been a patient at Passavant hospital and has returned to her home.

A list of State hospital patients

names who are to receive gifts from the society was given. Mystery Pals exchanged gifts.

Members brought dish towels and vegetable dishes for the kitchen and some money was given to buy other things as needed. Plans were made to prepare sunshine baskets for the sick.

Devotions were given by Mrs. Salle Simpson, and Mrs. Flora Rolf presented the lesson. Miss Georgia Hawk gave the Spiritual Life Thought. The meeting was closed with the W. S. C. S. benediction.

Refreshments were served by the hostess and her assistant.

## Schedule Your Rest

BY ALICIA HART

Many hours in the day may drag by—waiting for the postman, waiting for a bus, getting to an appointment—but a certain series of hours in the life of the mature woman go by on hurried feet.

These are the hours after dinner and before bedtime. In no time it's midnight.

A grown woman needs her rest. Her complexion is even more sensitive to the ravages of fatigue than the young person's. A young person can mask circles under the eyes with make-up, but many mature women turn a shade of gray all over when they're tired.

Sleeping in on Saturdays doesn't make up for persistent loss of sleep. Sleep needs to be investigated in regularly.

The pleasant household fiddling and fussing needs to be done, too. The answer is to apportion the evenings. A couple of nights a week a grown woman needs to climb into bed good and early, 9:30 or 10. If a woman's habits are such that she can't get to sleep this early, re-training can do it. Get into bed early with a boring book, or just lie down and rest until sleep comes. The body needs the sleep, and will take it, if the mind isn't going a mile a minute on other things that need to be done.

## Ladies Of GAR Attend Dinner

The Edward Gallagher Circle, 122, Ladies of the Grand Army of the Republic, enjoyed a potluck dinner and Christmas party at the home of Mr. and Mrs. Raymond Massey, 1516 South West street. There was a short Christmas program, carols were sung by the group and Mrs. Ruth Robinson read the Christmas Story from Luke 2. Mrs. Florence Fuhr, the circle chaplain, gave readings, closing with a Christmas Prayer.

There was an exchange of gifts, and the circle voted to donate to the Christmas Tree of Lights.

Those assisting Mrs. Massey were her two sisters, Mrs. Harriet Pate and Mrs. Elizabeth Tribble.

Mrs. Ula Bland and Mrs. Josephine Leach also assisted.

The next meeting will be held at the American Legion Home January 5, for the Installation of Officers.

## Yearbooks Given At Walnut Grove Christmas Meet

VIRGINIA — The Walnut Grove Club met at the home of Mrs. Chester Carls, Wednesday, Dec. 14.

Mrs. Roy Musch and Mrs. Carl Walter were assistant hostesses. The one o'clock luncheon was served at small tables covered with Christmas clothes and lighted red candles added a bright touch to each table. Christmas decorations were used on mantles and in various rooms. After the blessing was asked by Mrs. Gilmore Illius, a bountiful luncheon was served.

At 2 p.m., Mrs. J. R. Fox, president, called the meeting to order and minutes were read by Mrs. Clyde Walbert, who also read a list of the names of members who had not missed attending a meeting during the year. Roll call was answered with "How I Plan To Spend My Declining Years."

Mrs. Roy Musch, assisted by Mrs. B. W. Peebles, presented a candlelighting ceremony on "The Meaning of Christmas," with soft music as a background.

Mrs. Maurice Jokisch, program chairman for 1956, distributed the new yearbooks which were received with much interest and disclosed many programs for the coming year.

Mrs. J. R. Fox, retiring president, thanked all of the officers and committees for their co-operation in 1955 and presented the gavel to the new president, Mrs. James E. Fox. Mrs. Leo Devlin, chairman of the finance committee, announced a silent auction at the January meeting, which will be held with Miss Miriam Cline and will be an all day meeting.

Guests were Mrs. Henry Carls and daughter, Kathy, and Mrs. Lora Dudley. To Present Special Service

At the Presbyterian church at the morning worship service the choir will present Christmas numbers and the pastor, the Rev. E. M. McGehee, will use as his sermon theme, "The Light Shines in the Darkness."

Members of the Philathena class will hold a Christmas party in the church dining room at noon, Thursday, Dec. 22. The committee will furnish coffee and dessert and members are asked to bring table service and a covered dish. Following the dinner a feature of the program will be a book review by Mrs. Bernita Farar.

Want to know how to make garlic bread? Cut a clove of garlic into quarters; stir into half a cup of soft butter. Allow to stand until the butter takes up the garlic flavor. Cut a long loaf of French bread diagonally into thick slices; do not cut through the bottom of the loaf. Spread the garlic butter generously between the slices and over the top of the bread. ## New York Stock Market

By RADER WINGET

**NEW YORK** (AP) — The market suffered a setback this week, but on the final day it was headed higher.

Irregularly throughout the week was pronounced. There was an inclination to blame selling to establish losses or profits for tax purposes and then switching the money into other stocks to maintain a market position.

The bulk of that type of trading now appears to be on the way out, and traders were hoping for a fast and higher end to the year.

The Associated Press average of 60 stocks lost \$2.70 on the week and closed at \$178.60. That is not very far from the record high of \$181.50 established Sept. 23 just before the Eisenhower heart attack. The same figure was reached two weeks ago when the market had recovered from its hard fall.

Because the market still is so high, and because it hasn't been able to break through in a decisive manner to another new high nervousness persists that prices might be shaken down hard by some unexpected news development.

Right now Wall Street is hoping that tax selling and switching can be absorbed without unsettling the price structure. When the pressure is gone, they hope prices will rebound and start a vigorous year-end rally.

The five most active issues this week on the New York Stock Exchange were Benetton Consolidated Mining unchanged at 17 $\frac{1}{2}$  on 367,700 shares; U. S. & Foreign Securities off 2 $\frac{1}{2}$  at 29 $\frac{1}{2}$ ; General Motors off 1 $\frac{1}{2}$  at 46 $\frac{1}{2}$ ; Sperry Rand up 2 at 26 $\frac{1}{2}$ , and Studebaker-Packard up 3 $\frac{1}{2}$  at 10 $\frac{1}{2}$ .

The five most active issues this week on the American Stock Exchange were Kaiser Motors up 1 $\frac{1}{2}$  at 5 $\frac{1}{2}$  on 261,400 shares; Cuban Venezuelan Oil up 1 $\frac{1}{2}$  at 21 $\frac{1}{2}$ ; Sapphire Petroleum off 1 $\frac{1}{2}$  at 3; National Petroleum up 5-16 at 34 $\frac{1}{2}$ ; and California Eastern Aviation up 7 $\frac{1}{2}$  at 4 $\frac{1}{2}$ .

"He must make his own decision."

Asked if he would run if he were in the president's shoes, White smiled and replied:

"Not being in the president's shoes, and probably being quite different in both my experience, aptitude and ability, I could not answer that question."

A reporter inquired whether it looked from present trends as if Eisenhower would be physically able to run again. White said the "present trend is good" but the doctors have another examination to make about mid-February to see how the heart is standing up.

Another newsmen asked whether White would vote for Eisenhower if he tried for re-election, knowing what he does about Eisenhower's condition.

"Oh, yes," the doctor replied. "He added that he voted for him before and would again although he is an independent rather than a Republican.

To a question whether Eisenhower now is out of danger White answered:

"Oh, yes, he's out of danger from this last attack."

## Entertain Day Unit

Mrs. C. L. Drake, Mrs. Clinton Hoess and Mrs. Eugene Tatman were hosts to the Day Unit of the Home Bureau at the Hub Annex Cafe on Thursday afternoon. Mrs. Drake, chairman, presided at the business meeting at which time it was voted to dispense with a gift exchange and prepare trays of cookies and tidbits for the numerous patients in the fine nursing and convalescent homes in this city.

The major lesson was "Women's Property Rights and Wills in the State of Illinois" given by Mrs. Julian Hutchens and Mrs. B. L. Adkins. Officers elected for the ensuing year are Mrs. Drake (re-elected) chairman; Mildred Cummings, vice chairman, and Mrs. Mildred Wallace, secretary-treasurer.

The hostesses served refreshments at the close of the meeting.

### Club Has Turkey Dinner

The Past Worthy Matrons club of OES Guiding Star Chapter held a Christmas party at the Presbyterian church. Members of the church served a turkey dinner to the group followed by a social evening with a gift exchange and the singing of Christmas carols. Mrs. Ernest Roedhouse was in charge of the program.

### Grade Children Present Christmas Operetta Dec. 14

**MEREDOSIA** — The Meredosia-Chamberlain P.T.A. held its December meeting Wednesday night in the high school gym, with a large crowd present in spite of the cold weather.

The program was a Christmas operetta given by the five grades of Meredosia Grade School. It was directed by Mrs. Howard Edlen.

President Robert Chambers conducted a short business meeting following the program. The seniors had the highest percentage of parents present.

Refreshments of homemade cookies, fruit punch, mints and coffee were served in the home ec room by a committee of senior mothers: Mrs. Joe Schneider and Mrs. W. G. Steinberg, co-chairmen, assisted by Mrs. Ed Dickman, Mrs. Kermut Muntman, Mrs. Raymond Scott, Mrs. Stuart Tracy, Mrs. Henry Allen and Mrs. James McDonald.

Senior mothers who had not previously served with another grade brought the cookies.

Wednesday Mr. and Mrs. E. R. Telling of Boulder, Colo., stopped for a short visit with Mr. and Mrs. A. B. Telling, while on their way to Danville to spend the holidays with their son and his family.

Tuesday Mrs. Paul Sieving and Mrs. C. G. Wegehoff drove to Arenville to visit Mrs. Wegehoff's sister, Mrs. Dora Burris.

Mr. and Mrs. Francis Darr of Springfield are staying at Charles James' home while Mr. James' father, is in Passavant Hospital. Mrs. James is in Jacksonville with her granddaughter, Mrs. Bayard Hopper, until her husband can come home.

### White Hall Church Classes Hold Parties

**WHITE HALL** — The Loyal Women's Class of the First Christian church met at the country home of Mrs. Eva Culver, Margaret Wednesday afternoon.

The group enjoyed a Christmas party after the service.

The Loyal Daughters Class of the First Christian church met at the church Thursday night with some poems followed by prayer.

Mrs. Mae VanWinkle had charge of the program. Her subject was "Favorite Christmas Stories." The program was interspersed with Christmas Carols. Lovely refreshments were served at the close of the program.

The Loyal Daughters Class of the First Christian church met at the church Thursday night with some poems followed by prayer.

The group sang Christmas carols with Mrs. C. C. Brown teacher, at the piano. A gift exchange was held and the following officers selected to serve for needy family. The next meeting the next few months: president, Mrs. Ruth Ricks; vice president, Mrs. E. S. Ambrose; and secretary, Miss Avis Nichols. Mrs. Ambrose was program chairman and Mrs. F. N. McLaren gave assistance. The girls will have supper together.

### SEVERAL FINED IN JUSTICE COURT

A number of offenders were fined in the court of Justice of the Peace Charles Warzler Saturday morning.

Edward Wilkinson of Cleveland, Ohio, was fined ten dollars and costs for speeding and Robert J. Koch of California, Mo., was fined five dollars and costs for passing within a viaduct. Both arrests were made by state patrolman Clyde Vasconcelos.

Jasper Brown, Jr., of Jacksonville was fined five dollars and costs on a charge of not having a valid safety sticker on his truck.

Bernard Riley of Jacksonville was fined five dollars and costs for disobeying a stop sign, and Harry J. Metzer of Chanute Air Force Base was fined five dollars and costs for improper passing on a hill.

These arrests were made by state patrolman William Edlen.

A truck owned by the Stewart brothers of Jacksonville and driven by Charles Krueger, also of this city, was found to be 1200 pounds overweight and the owners were fined \$24 and costs by the Justice of the peace. This arrest was also made by state patrolman Edlen.

"He must make his own decision."

Asked if he would run if he were in the president's shoes, White smiled and replied:

"Not being in the president's shoes, and probably being quite different in both my experience, aptitude and ability, I could not answer that question."

FRANKLIN — Albert Jewsbury, who makes his home with his nephew Clarence Jewsbury and family, received a hard fall Wednesday when he stepped out the door of the new addition. The step was much higher than he expected and gave him a hard fall. He was taken to Passavant Hospital where X-ray showed a broken hip.

Another reporter inquired whether White would vote for Eisenhower if he tried for re-election, knowing what he does about Eisenhower's condition.

"Oh, yes," the doctor replied.

He added that he voted for him before and would again although he is an independent rather than a Republican.

To a question whether Eisenhower now is out of danger White answered:

"Oh, yes, he's out of danger from this last attack."

Hershey Cran entered Barnes Hospital in St. Louis Tuesday for treatment of a heart condition. Mrs. Cran is staying in St. Louis near her husband.

Mr. and Mrs. Wilbur Seymour expect to leave Monday for Washington D. C. for a two week visit with their son Allen Seymour and family.

The Franklin Music Club met Saturday December 17 at the home of Mrs. Sylvia Straub near Alexander.

Mrs. Carl Harris of Evanston Ill. was a guest of her aunt, Mrs. Maude Wiley over the weekend.

Mr. and Mrs. Lora Seymour and son Richard spent Sunday with their daughter and husband, Mr. and Mrs. William McCormick at Meredosia.

Mrs. Orlean Woods entered the Nursing Home of Mrs. Guy Grady in Jacksonville, Ill., last Friday. She expects to spend the winter there.

## Kentucky Routs Idaho 91-49

LEXINGTON, KY. (P)—Kentucky exploded with its old-time fury Saturday night to rout Idaho 91-49 for its fourth basketball victory in five starts.

Kentucky unloaded its strongest attack this season as its starters hit in double figures to send Idaho to its fourth setback in five starts.

The decision was wrapped up quickly as the Kentuckians flashed to a 13-4 advantage before guard Gary Simmons hit Idaho's first basket after 3:28.

The halftime count was 45-25. Kentucky used its tall timber to sweep the boards and worked through the Idaho defense repeatedly for short shots.

## Negro Athletes Are Goodwill Ambassadors For United States

By ROGER D. GREENE  
AP Newsfeatures Writer  
WASHINGTON (P)—State Department officials call them "diplomats in short pants".

For the Negro athletes who have won laurels in America and who now are touring free world countries as goodwill ambassadors under terms of the Smith-Mundt Act, it's an apt name.

Officials here point proudly to huge turnouts in such countries as Africa and India as testimony to the athletes' success in refuting Communist propaganda about the treatment of racial minorities in the United States.

An example is the reception Mal Whitfield, two-time Olympic 800-meter champion, received in the Belgian Congo last year.

Natives drums pulsed through the Congo for three days heralding Whitfield's arrival to compete against the fleetest runners in Africa.

Challengers came from remote villages to meet the famous American Negro athlete on his goodwill tour sponsored by the State Department.

But when Whitfield put on his track shoes, a rumble of protest broke out. Talking excitedly, the Africans pointed to Whitfield's feet and shook their heads.

"No magic!" they shouted. "No magic!"

Whitfield blinked. Then he understood what the rhubarb was about. They thought his spiked shoes gave him "magic" that enabled him to beat other men of all nations.

Doffing the shoes, Whitfield gingerly tested the ground with his bare feet. At the signal, with teeth-harshened natives sprinting in a wild pack at his heels, the Olympic champion sped over the rough course in a race to defend his reputation as one of the fastest "P. I. S. in history."

Cheers went up from the spectators.

Iowa Hands 84-61  
Defeat To Loyola Of Los Angeles

IOWA CITY (P)—After a slow and erratic first half Iowa found the range after the intermission Saturday night to coast past Loyola of Los Angeles 84-61 and hand the Lions their first defeat in the Midwest this week.

Loyola started off fast. The Lions built up a 27-23 lead midway of the first half before the Hawkeyes were able to move and gain a 34-33 halftime advantage.

Then Iowa hit quickly in the opening minutes of the second period as Sharmin Scheuerman, Bill Logan, Bill Schoow and Carl Cain collaborated in a balanced attack. They put the Hawkeyes ahead 46-35 in just a little over four minutes.

Iowa continued to control the ball through the rest of the game.

Top scoring honors went to Tom Salvino who tallied 21. Logan was high for Iowa with 17.

Scheuerman played his first game for the Hawkeyes since the start of the season. He had been sidelined with an injury.

## St. John's Upsets Alabama 87-79

NEW YORK (P)—Coming from behind with a 19-2 rally in the final seven minutes, St. John's of Brooklyn upset fifth ranked Alabama 87-79 in Madison Square Garden Saturday night.

It was the first game of a baseball doubleheader. NYU met Holy Cross in the second game.

The Brooklyn Redmen, who had trailed from the start, caught Alabama with three minutes remaining.

Bill Chrystal's tip-in climaxed a drive that began in the 13th minute of the second half. At that point St. John's was behind 77-68.

Pete Brady, who scored 10 of his 12 points during St. John's surge, got the Redmen rolling with a couple of long set shots and after Chrystal's basket had tied it, Brady moved St. John's into the lead to stay with a pair of free throws.

## Bradley 93, LaSalle 78

PEORIA, ILL. (P)—Sophomore Shellie McMillon poured in 28 points Saturday night to lead Bradley's Braves to a 93-78 basketball triumph over LaSalle. The victory was undefeated Bradley's fifth straight.

Bill Chrystal's tip-in climaxed a drive that began in the 13th minute of the second half. At that point St. John's was behind 77-68.

Pete Brady, who scored 10 of his 12 points during St. John's surge, got the Redmen rolling with a couple of long set shots and after Chrystal's basket had tied it, Brady moved St. John's into the lead to stay with a pair of free throws.

## Butler Bests Michigan 63-57

INDIANAPOLIS (P)—Butler University gave Michigan's basketball team a discouraging sendoff Saturday night on a holiday tour, beating the Wolverines, 63-57. Sophomore Bobby Plump scored 20 points for the Butler Bulldogs.

Ron Kramer, big Michigan football end who had been averaging 18 points in basketball, missed all of his eight field goal attempts Saturday night and wound up with two points on free throws.

The Wolverines, headed for a two-game western trip, hit only 18 of 51 shots from the field to Butler's 20 of 57.

Michigan led 34-31 at the half, largely on forward Randy Tarriner's shooting, but Butler pulled ahead right after the intermission on fielders by Joe Dittmire and Plump. The Wolverines led briefly again at 49-48 but Plump hit another of his jump specials and the Bulldogs stayed in front the rest of the way.

## Indiana 81 Missouri 78

COLUMBIA, Mo. (P)—Indiana rallied sharply in the second half to defeat Missouri 81-78 in a non-conference basketball game here Saturday night. The Missourians had a five point halftime advantage, 41-36, in the game delayed at the start by almost an hour because of power failure in the field house.

"They're not political propagandists. But in a quiet way, they serve as a living refutation to Commie lies and distortions about life and opportunity in the United States. And the kind of good will they're winning is so spontaneous, genuine and sincere that it just couldn't be bought—not for a billion dollars."

Cheers went up from the spectators.

## Unbeaten Terps And Oklahoma Headline Post Season Program

By BOB HOOBING  
THE ASSOCIATED PRESS

MARYLAND Coach Jim Tatum is right in a recent off-guard admission that "Oklahoma has too much speed for us" or whether a phenomenal Terp Jim will hold true.

The Rose Bowl encounter is another repeat from the 1953 season when Michigan State defeated UCLA 28-20.

Frustration is mounting for the Bruins. Like Mississippi, the team hasn't won a bowl game in three tries. And as a West Coast representative, it faces the dismal record of only one Pacific Coast Conference triumph in the nine contests played under the Big Ten agreement.

The coming game will show the fans in Pasadena and the television onlookers plenty of dressed-up single wing offense. UCLA works from that formation and it plays a major part in the intricate multiple offense of the Spartans.

There can be little argument with this year's major bowl slate which presents nine of the nation's top 11 teams according to the final Associated Press Poll. Here's the lineup including team ranking and season's records:

Orange—Oklahoma (No. 1, 10-0) vs Maryland (No. 3, 10-0).

Rose—Michigan State (No. 2, 8-1) vs UCLA (No. 4, 8-1).

Sugar—Georgia Tech (No. 7, 8-1) vs Pittsburgh (No. 11, 7-3).

UCLA and Oklahoma, two of the three unbeaten, untied powers of a year ago, were kept out of bowl engagements by conference rulings which forbid appearances by the same team in successive seasons.

The Big Ten-Pacific Coast Rose Bowl agreement and the Big Seven-Atlantic Coast Conference Orange Bowl tie-up drew cries of "misnatch" in '56 when Southern California, No. 2, PCC team, lost to Ohio State 20-7 and Nebraska was swamped by Duke's ACC champions, 34-7. After all, UCLA had blanked USC 34-0 and Oklahoma had bludgeoned Nebraska 55-7 during the regular season.

But this time the bill of fare is more tempting.

True, Ohio State won't make the trip to Pasadena after finishing its second straight unbeaten Big Ten campaign but Michigan State had a more successful season as shown by its No. 2 rating compared to fifth for the Buckeyes.

The Texas Longhorns saved the Cotton Bowl committee embarrassment by whipping upstart Texas A&M in their final game.

The Aggies, ineligible for post-season competition as part of a conference penalty for a code violation, threatened to win the Southwest Conference title. However, Texas Christian took the championship with Texas' aid and assumes the traditional Southwest winner's role as the Dallas host.

The Sugar Bowl departed from its usual policy of inviting the Southeast Conference title by picking bowl-veteran Georgia Tech to face a Pittsburgh team enjoying its best season since 1938 and first bowl shot since 1937.

The question uppermost in the minds of the spectators is whether

the Sugar Bowl will depart from its usual policy of inviting the Southeast Conference title by picking bowl-veteran Georgia Tech to face a Pittsburgh team enjoying its best season since 1938 and first bowl shot since 1937.

IT WAS A pretty dull and dingy afternoon, with the thermometer floating around the freezing mark Saturday, but an out-sized crowd came to Jacksonville to view the first annual Christmas parade—22 floats that depicted the story of the birth of Jesus Christ. Interspersed in the

line of march were six choirs, singing the story of the new born babe in Bethlehem. The crowd was very large. Some people guessed that it was twice as large as the one that greeted Santa Claus when he came to town Friday, Nov. 25. Others said it was

the largest crowd that has been in Jacksonville, saving last August's water pipeline celebration. Everything worked on schedule yesterday, with the floats forming around the high school gym (Picture No. 1.) They moved up College to South Main street, around

### Charles J. Ryan Is Candidate For State's Attorney

Charles J. Ryan, an attorney at law in Jacksonville, has announced his candidacy for the Republican nomination for State's Attorney of Morgan County.

Mr. Ryan received his Bachelor of Arts degree from Illinois College in 1947. He received the degree of Juris Doctor from Northwestern University School of Law in 1950 and was admitted to the Illinois bar that same year. Since 1950 he has been engaged in the general practice of law in Jacksonville with offices in the Morrison Building.

CHARLES J. RYAN

The Jacksonville community awoke this morning with a new automatic dial telephone system, on which it will conduct its social and business activities in the future.

At 12:01 o'clock this morning a staff of Illinois Telephone Co. employees worked rapidly to complete the switch-over from manual to automatic type service. Within a half hour the entire system of 8,500 subscribers was synchronized with the new system.

The telephone company had been working on reconversion for the past two years. A new building at Duraplast Court and West Beecher Avenue houses the mechanical equipment and business offices of the company.

All subscribers of Chestnut exchange received new directories about 10 days ago which have had time to study.

Spokesmen for the telephone company have asked that for the first few days the public restrict "curiosity calls," which might be made just to see how the new system works. It was explained that the new equipment is engineered to handle calls promptly and accurately, but if too many calls are made at once the equipment may become overloaded and result in the delay of really necessary phone calls.

### J. R. Middendorf Funeral Service Set For Tuesday

**THROWBACK TO A BYGONE ERA**—Scenes like this—showing horses frightened by an automobile—were common enough in the early 1900's, but they're pretty rare today. Matter of fact, dray horses themselves are rare. This picture was taken on Mackinac Island, Mich., where, except in emergency, no cars are permitted on the island. So when Buick decided to take its 1956 models there for advertising photos, special permission was necessary. The island's City Council required the cars to be towed through the city behind horse-drawn carriages instead of running under their own power. Despite the fact the cars were towed behind slow-moving wagons, this team of horses and another became frightened and ran away.

### PHILANTHROPY FOR JACKSONVILLE

Four Jacksonville institutions, two colleges and two hospitals, were named last week by the Ford Foundation to share in the largest philanthropic grants ever known.

Altogether the Foundation released funds totalling half a billion dollars, of which \$210 million was earmarked for 615 regionally accredited, privately supported colleges to help them raise teachers' salaries. \$200 million was appropriated to hospitals to help them improve and extend their services to the public. And another \$90 million was granted to privately supported medical schools.

The grants to the colleges were based upon their 1954-55 payrolls for instruction in the liberal arts and sciences. Illinois College received \$75,300 and MacMurray College received \$152,500. Under the grant conditions the income only from these endowments may be used to increase faculty salaries, though after ten years the funds become unrestricted.

Despite the magnificent size of the total Foundation gifts, it is, of course readily obvious that the needs of no one institution are met. The Ford Foundation, big as it is, could not hope to take care of the full needs of any institution without being selective to the degree of cutting many worthy recipients down to practically nothing.

The Foundation, recognizing this limitation, preferred not to attempt to judge the merit of the programs of many diverse institutions throughout the land. In fact, it sought to promote diversity by spreading the distribution of the grants widely upon the basis of a formula fair to all.

In this educational center there will be little quarrel with the Foundation's desire to strengthen the heart of our colleges—the teachers. As Henry Ford II said:

"All the objectives of higher education ultimately depend upon the quality of teaching. . . . Private and corporate philanthropy can make no better investment of its resources than in helping to strengthen American education at its base—the quality of its teaching."

Ford concluded by stating that the Trustees of the Ford Foundation "want to do everything they can to emphasize the cardinal importance of the college teacher to our society."

This long overdue recognition of the college teacher is almost as significant, in our opinion, as the grants themselves. Certainly the Foundation has performed a national service by focusing public attention upon the need for improving underpaid lot of the teachers.

Our two local hospitals shared in the other major part of the Ford Foundation's charitable project, Passavant Memorial Area Hospital being granted \$54,600 and Our Saviour's Hospital receiving \$51,800. While the grants are largely unrestricted and provide a wonderful boost for these community institutions of service, they do not meet their needs any more than those of the colleges are met.

The Foundation based this part of its program upon a recognition of the fact that population increases and advances of medical knowledge have placed enormous burdens upon the facilities of the nation's non-profit hospitals. "All hospitals," the Foundation said, "need to extend the scope of their services if they are to serve satisfactorily as health and rehabilitation centers in their communities."

While applauding the generosity of the Ford Foundation grants, we should all remember the objectives behind those grants, the fact that the needs remain largely unfulfilled, and our own personal obligation to do our part to see to it they are fulfilled.

### SILENT NIGHT, FATAL NIGHT

Christmas is no time for tragedy to visit us on the highways and in the home. But just the same it does—all too frequently.

Last year, in a 54-hour period from the night before Christmas Eve until midnight Christmas night, 515 people were killed in accidents in this country. Most, of course, died in traffic mishaps.

Put together heavy travel, the gay spirit of the holidays, icy or slippery roads and the extra hours of winter darkness and you have the ingredients for this kind of tragedy.

Every year the National Safety Council and others have issued their warnings, but they do not seem to register. But what else can anyone do but warn again:

Be careful—extraordinarily careful. Watch road and traffic conditions like a hawk. Don't get carried away by the Christmas spirit or you may not live to enjoy it again.

**ANOTHER ART "MECHANIZED"**—This is the season when hotel and restaurant chefs display their artistic skill in ice sculpture for window displays and dinner centerpieces. But now they can throw away their chisels and relax. A Cincinnati ice manufacturer has developed a molding process which creates any one of a dozen ice-statue subjects by just freezing water inside metal molds. Above: Paul Brogan, president of the company, displays a mold-cast fish centerpiece. He says it's just as decorative as the pieces produced by laborious handcarving. But no assembly-line technique can overcome one weakness of ice sculpture. No matter how it's made, it will melt eventually at room temperature.

## The World Today

By JAMES MARLOW

WASHINGTON (AP)—If Secretary of State Dulles wanted to write a book on his feelings about the Russians over the past five months he could call it "Live and Learn."

In that time he expressed plenty of qualified misgivings that the Russians had changed, but through it all, at least judging from what he said, he still clung to a feeling of optimism that maybe they had.

He went to last July's summit meeting in Geneva, where President Eisenhower talked with Soviet Premier Bulganin and the heads of the British and French governments, a meeting whose startling pleasantness developed the phrase "spirit of Geneva."

When he returned from there, he was reportedly worried the Western Powers might assume wrongly that the Russians had truly softened up and that it was all right to relax a bit. But on Sept. 22, in a speech to the United Nations, he said:

"A new spirit does indeed prevail, with greater flexibility and less brittleness in international relations."

That sounded pretty optimistic, and he still sounded that way 23 days before he went back to Geneva for his October meeting with Soviet Foreign Minister Molotov and the foreign ministers of Britain and France.

On Oct. 4—the Geneva meeting was Oct. 27—he told a news conference he believed the four foreign ministers would make positive progress at Geneva toward the reunification of Germany.

(As it turned out, they made no progress on anything, and particularly they made no progress on Germany. Dulles and Molotov went to Geneva with opposite ideas on how to reunify the country and neither budged an inch to accept the other's.)

The Russians were bothering Dulles nevertheless on Oct. 4, for he told reporters that day he had twice warned the Soviets that Communist shipment of arms to Egypt would not "contribute" to lessening world tensions.

Still, he kept thinking that maybe . . . On Oct. 10 he told the American Legion the Russians had a habit of zig-zagging to get what they wanted, but said he thought world opinion "will act as a compulsion on the Soviet Union to relax its grip upon East Germany and to permit unification."

From the way the Russians acted when Dulles met them later that month in Geneva, world opinion was something which didn't seem to be influencing them at all. Dulles came back from that meeting and reported to the nation Nov. 18.

He said a number of questions were in the air, as a result of the meeting, including this one: "Will the so-called cold war be resumed in full vigor? He still seemed to be hoping for a silver lining for he answered the question:

"We must assume that the Soviet Union will continue its efforts short of war to make its system prevail . . . We can, however, hope that this competition will not entail all the same hostility and animosity which so defiled relations between us in the past."

That hope faded in a hurry. Between then and now, Bulgaria and Chubby Communist party chief Nikita Khrushchev visited Southern Asia, where they spread pure poison — without sugar — about the West and the United States and Britain.

Thursday Dulles seemed like a badly disillusioned man. In Paris, talking to the NATO Council of Ministers, he said the East-West cold war is on again after nearly a year of Soviet zig-zagging.

In fact, he said, the Russians have repudiated the spirit of Geneva.

## Manners Make Friends

Teach your school-age children to say who they are when they telephone a friend and one of his parents answers. Many children have poor telephone manners, simply because their parents have never taken the trouble to teach them the correct way of making a telephone call.

The right way is as easy to do as the wrong way.

Heat is good for pain, but getting hot under the collar never cured a pain in the neck.

All you have to do is know a hint when you hear one.

### Gifts—Office Parties—Decorations—Yule Tree—Visitor—Dutch Drink

BY DOUGLAS LARSEN AND KENNETH O. GILMORE  
NEA Staff Correspondents

WASHINGTON (—NEA)—If the Secret Service and the White House mail room didn't thoroughly screen the mass of Christmas presents President Eisenhower receives from the public, he'd probably need a special barn on the grounds in which to store them. However, each package is opened beforehand and its contents carefully examined.

If there's anything suspicious about a package, the mail room has X-ray gadgets to examine it before opening.

Perishable presents are either stored in the huge White House basement icebox or given to charitable organizations. Much of Ike's Christmas loot is quietly given to orphans' homes or to other worthy groups. Gifts from personal friends or special little things which they think might tickle his fancy are sent to the President.

A careful list is kept of each gift and thank-you notes are mailed to the senders.

**MEMBERS OF IKE'S Cabinet** have just as much holiday spirit as anyone, but most of them have taken time to sit down and pen a little reminder to their employees that imbibing on federal property in office parties is against the law.

Secretary of Labor James Mitchell, for example, in his note doesn't come right out and say don't drink fellow workers. He just suggests that coffee and sandwiches are just as good for reviving up the holiday mood. At Commerce Secretary Weeks is more specific:

"We must assume that the Soviet Union will continue its efforts short of war to make its system prevail . . . We can, however, hope that this competition will not entail all the same hostility and animosity which so defiled relations between us in the past."

That hope faded in a hurry.

Between then and now, Bulgaria and Chubby Communist party chief Nikita Khrushchev visited Southern Asia, where they spread pure poison — without sugar — about the West and the United States and Britain.

Thursday Dulles seemed like a badly disillusioned man. In Paris, talking to the NATO Council of Ministers, he said the East-West cold war is on again after nearly a year of Soviet zig-zagging.

In fact, he said, the Russians have repudiated the spirit of Geneva.

Old-time government workers always recall the classic Christmas party story. Seems a Veterans Administration official had a short or two and chased his secretary down the hall. That might not have been so bad, but she tripped and broke her hip and had to be carted off in an ambulance.

Ever since, VA has been the driest agency in town before Christmas.

**THE WHITE HOUSE STAFF** will really have the festive treatment ready for the Eisenhowers during the holidays.

With the first family in Gettys-

burg, members of the Washington staff have had time to knock themselves out preparing for the arrival of Ike and Mamie some time during the week before Christmas.

In addition to the traditional Christmas decorations outside—lights on the trees and holly and wreaths on the doors and windows—inside there will be gaily decorated trees on every floor. They've cooked up several special surprise decorations for the living quarters of the executive mansion.

**PRIVATELY, THE embassies here aren't too happy about participating in all the whoop-to-do which surrounds the Christmas tree-lighting ceremonies near the Washington monument grounds. They feel they're blackjacketed into participating in a commercial project benefiting Washington stores.**

**SPONSORS OF THE event wanted one embassy to fly reindeer to town from its country as a publicity stunt. The idea was curiously turned down.**

**NOTHING WAS TOO GOOD FOR Uruguay's President Luis Batlle Berres who came to the capital for an official visit. But the lavish treatment he received may cost Vice President Nixon plenty of votes in California.**

**In the absence of the President, Nixon hosted a state dinner for the VIP from south of the border. Prominent on the menu were three kinds of French wine.**

**Completely lacking, however, was any sign of California vino. This will be a hard one for the VP to explain to the home folks.**

**PRESIDENT BATILLE received a bona fide invitation to come to the United States, by the way. Some recent foreign dignitaries have had to come in by a special back-door technique quietly arranged by the State Department.**

**They first check into a hospital for a physical examination or treatment as an excuse to enter the country.**

**THE DUTCH NOW OFFER a drink called "Irenever" to challenge the current vodka rage. Dr. L. R. W. Soutendijk, Dutch financial counselor, featured it at a party at his home claiming, "it does everything vodka does and more."**

**Over at the Czech embassy they're**

drinking budweiser these days. This isn't alcoholic detection. It's just a native brew and has no resemblance to the American brand.

**TWO LUNCHEON CIRCUIT records were broken the other day at the presentation of Harmon trophies to Navy Capt. Marion H. Eppes, for a nine-day, 3000-mile sustained airship flight, and to Marine Lt. Col. James F. Coleman, for flights in the vertical take-off plane.**

**First mark was total time consumed. Cocktails started at noon. About 1:30 great hunks of steak and the trimmings were served. Then speeches.**

**Second record was for length of introduction of a speaker. Adm. Charles E. Rosendahl took 45 minutes to present Adm. Thomas S. Combs.**

### Deviled Noodle Peppers Is an Easy Dish to Make

BY GAYNOR MADDOX  
NEA Food and Markets Editor

Here are two good recipes for the busy days just before Christmas.

**Deviled Noodle Peppers** (Makes 6 servings)

Six large green peppers, 1 8-ounce package noodles, 1 family-size (44-ounce) can deviled ham, 1 tablespoon minced onion, 1 egg, beaten, 1 can condensed mushroom or tomato soup, grated cheese, butter.

Leave crusts on, or cut off, as preferred. Spread bread with deviled ham and top each slice with same size piece of cheese. Roll up and fasten with toothpicks

## HOLY CROSS STUDENTS WILL HAVE NEW BUILDING

Jacksonville unit students of Holy Cross Central School of Nursing in South Bend, Ind., investigate the architect's model of the \$867,000 student building which will be utilized by next year's preclinical students from Our Saviour's Hospital Unit. The girls are, left to right: Anna Jones, Arenville; Helen Cobb, 1108 South Main, Jacksonville; Charlotte Kallal, Greenville; Rose Marie Riley, Rural Route 2, Jacksonville; and Donna Dunnigan, Roodhouse, who is president of the Cairo-Jacksonville group of preclinicals in South Bend. Excavations were begun during last week (Dec. 12) for the five-story brick, steel, and concrete structure on property which adjoins the present campus.

### Roodhouse School Faculty Attends Holiday Tea

ROODHOUSE — A holiday tea was held in the homemaking room of the Roodhouse Community High School Thursday afternoon attended by the members of both the grade and high school faculties. Presiding at the table was Mrs. Margaret Sullivan of the grade faculty. Arrangements were in charge of Mrs. Ross Manning and Mrs. Charles Barlow, assisted by Mrs. Earl Strowmatt. Table appointments vice president, Mr. and Mrs. Charles and decorations, as well as the cookies served, were made by Mr. and Mrs. Everett Spencer. The high school classes in home-making preceding the tea, the White Hall Boosters club to attend

regular monthly faculty meeting in the music room.

Alex Knight reviewed the teachers' reading circle book entitled "Readings in Democracy," and one on "Child Psychology" was presented by Mrs. Aileen Vinyard.

The December potluck meeting of the Methodist Boosters class was held in the recreation room of the church recently with the following hostesses: Mesdames Kenneth Shaw, William Wagner, J. R. McAllister, Ralph Hamm and Jasper Hood.

During the business session presided over by the president, Jasper Hood, officers were named for the ensuing year as follows: president, Mr. and Mrs. Jasper Hood; vice president, Mr. and Mrs. Charles Martin; and secretary-treasurer, Charles and decorations, as well as the cookies served, were made by Mr. and Mrs. Everett Spencer. The high school classes in home-making preceding the tea, the White Hall Boosters club to attend

their regular meeting on the evening of Jan. 5.

It was voted to buy 25 new church hymnals and to build two tables and three screens to be used for the primary Sunday School classes.

## Chapter 3: JUST ONE WISH

The story thus far. A strange "little" man has visited the Smith house in Chicago. Mr. and Mrs. Smith are visiting friends in the neighborhood and so the children, Louise, Anne, John, and Theodore are all alone in the house, except for Christopher O.

A strange man indeed is Christopher O. When Anne first saw him in the Christmas tree ornament, he was only one inch tall, but after he had jumped out of the ornament, in a matter of moments, he grew six feet tall. He explained how he had been sent by Santa Claus and could grant the four children but one wish.

"You mean, that only one of us will get his wish, and the other three won't get theirs?" said Anne.

"That is correct, only one. Now think it over carefully. What wish would you wish for if you could have only one wish in the whole world?"

Quick as a wink, Louise shouted, "Candy, I want all the candy in the world."

"Higgely-hi, higgely-ho, and away we go!" said Christopher O.

**Peppermint Guard!**

Empress Louise sat in her green candy striped chair, leaned over her chocolate colored desk, and shouted, "Peppermint guard!"

The guard, looking very much like a green peppermint stick, came rushing into the room. He bowed low until his head touched the rock candy floor.

"Yes, of great empress of the Kingdom of Sweet Tooth?"

"Candy!" said Louise. "I want more candy! I want all of the candy in the world!"

"But your Royal Highness, there isn't much left!"

"Ha, ha, ha!" laughed Louise. "I don't care. I want all of it!"

"Very well your Royal Highness," said the peppermint man, as he bowed himself out of the room.

**Candy Everywhere**

Then it was that the empress walked to her Royal Treasury which was right around the corner from the throne. Once outside the secret treasure room, she very carefully locked the door and turned around shouting, "It's mine, all mine!"

Candy was everywhere to be seen, and then more candy. Over in one corner were taffy apples by the hundreds. Next to them were sugar strips, pralines, and orange creams. The room was a jungle of marzipans of every kind in the shape of pastries, strawberries, peaches, and even sunflowers.

At that moment a muffled knock was heard at the door of the vault.

**Give The Password**

"What's the secret password?"

Louise started to shake her head to show that she didn't care when

a strange thing happened. First Louise turned blue, then green. After that she turned blue and green, then purple, and then green with pink polka-dots; she was sick, sicker than any little girl had ever been sick in the whole world.

"Take the candy! Take all of it!" Louise gurgled as she swiftly ran from the room for some unknown purpose.

"It's the funniest thing," said Anne, John, and Theodore. "We saw the whole thing in that little blue Christmas tree ornament!"

"Of course!" said Christopher O. "didn't you know I had a closed circuit television channel on Christmas tree ornaments?"

"Now the rest of you children, what do you want?" said Christopher O. as he turned around quickly.

Next week I'll tell you about another wish. What do you suppose it will be?

## Let's Go Birding

### LITTLE CREEPER

By Emma Mae Leonhard

There is a tiny bird, much smaller than our English Sparrow, that visits our cold and leafless trees from October to April.

It looks so much like the bark of the trees that you might have a little trouble finding it, but it's often near your house and along streets where there are trees, particularly elms.

As you are walking along the street, you may hear a thin lisping squeak. Pause a minute. You may see a little bundle of brown drop to the base of a nearby tree and creep around and up the tree as if it were going up a spiral staircase.

That's why it's named the Creeper. With the help of its stiffened and pointed tail, it clings close to the bark of the tree and has such a slim brown body that it really seems to be a part of the bark. But it does creep around the trunk fairly rapidly.

**Watch It Climb**

Watch for a short time until the Little Creeper is from one-half to two-thirds of the way up the tree. You will then see it drop down to the base of the next tree and begin its circular climb up the trunk of that tree.

It is examining the cracks in the bark for tiny insects that are wintering there or for insect eggs. It particularly likes spiders and spiders' eggs.

The Brown Creeper has a rather long slim curved bill, which isn't strong enough to chisel out wood like woodpeckers', but which is just right to work under loose bark for tiny insects and eggs.

**Likes Suet**

The Little Creeper also likes suet. If you put suet out for the woodpeckers, titmice, and chickadees, you might also see this little brown bird there, flicking its long tongue out to lick up a tiny bit of your suet.

Yes, Little Creeper isn't colorful and isn't a singer. Some people think that it hasn't any character and is uninteresting because it seems to do the same thing all of the time.

Yet this tiny bird is courageous enough and able to live through the coldest snowy days of winter. For that reason we have to admire it.

Women's Group**

Group 3 of the Christian Women's Fellowship of Central Christian Church met Thursday afternoon, Dec. 15, at the home of Mrs. J. T. Chandler, 401 West Beecher.

The hostess opened the meeting with a prayer followed by Mrs. Gaylord Swisher leading the group in singing "Joy to the World." Roll call was answered by the members telling of a Christmas memory.

The devotion leader, Mrs. Gerald Miller, presented the Misses Lucy and Lilli Dodds who read "The Story of Jesus" while the members viewed painted pictures as they told the story. She closed the devotions with a prayer.

The group decided to fill a Christmas basket for a needy family.

Mrs. Claude Jewsbury, study chairman, presented Mrs. Chandler, who read a story, "The Warmth of the Stars," with Mrs. Jewsbury reading "The Yule Log."

The meeting closed with the missionary prayer. The hostess served refreshments in keeping with the holiday season.

The next meeting will be held at 2 p.m. Jan. 26 at the home of Mrs. Ben Minor, 1331 Golura Ave.

Personnel of the Illinois Telephone Company are shown at 12:01 a.m. this morning removing the plastic PIX which placed Jacksonville's new Automatic Dial System into operation. As the Big Switch was made, personnel pulled threaded lines which removed the plastic pix from each telephone connection and allowed impulse of the dial system to go into action.

Our growing community has long looked forward to the day of Automatic Dial Telephone. Today, December 18, 1955, that dream becomes a reality. The Illinois Telephone Company has spent over \$1500,000 for Automatic dial equipment and the new building on West Beecher.

Our community can be proud of the most modern Dial System in the world.

Perfect balance makes the CAPITOL "Taper Seal" door the easiest to operate. It runs up and over, and out of the way, with a light touch . . . no need to stoop and tug . . . the two handles are correctly spaced to allow a normal position for opening or closing.

EASY TO INSTALL • LONG SERVICE  
LOW FIRST COST • MODERN BEAUTY

The CAPITOL "Taper Seal" door is the finest obtainable . . . AND IT COSTS NO MORE than you'd expect to pay for an ordinary door. This is true economy right from the start, and when its long, satisfactory service is considered, you'll see why it pays to install a CAPITOL "Taper Seal" garage door.

Installation is simple and accurate. The tracks are so constructed that they automatically line up without fail. The unique slip-joint principle makes a perfectly aligned connection as soon as the parts are slipped together. It is only necessary to attach the tracks to the wall and ceiling, following simple directions, and the door is ready for smooth-rolling operation.

### Bloodmobile Will Visit Pittsfield Next Wednesday

PITTSFIELD — A Bloodmobile unit will be set up at the American Legion Hall Wednesday, Dec. 21, and will operate between the hours of 12 and six o'clock. The visit of the Bloodmobile at this time is sponsored by St. Mary's Catholic church, with Miss Mary Margaret McGuire and Mrs. John Chitt in charge of the recruitment of donors.

The Army Mothers will be in charge of the canteen as they have been on previous occasions. A total of 209 pints of blood are needed to bring Pike county up to its quota and the recruitment committee has been working diligently to meet the requirement. It is hoped that every able bodied person within the age limit

It's will give a pint of blood among his other gifts at this Christmas season.

The names of thirty persons are now on the list of county "Gallon Club" members, and many of them will again contribute. Many of the club members have given more than a gallon of blood.

Gallon Club members are—Reva Freeman, Warren Brown, Vera Shelby, Rufus Johnson, Milo Barton, Elmer Lowe, Lucile Dorwart, Marjorie Yelton, Naomi Curfman, Lee Brace, Ernest Johnsen, Phillip Niebur, Jean Watson, William Bucholtz, Dorothy Lippencott, Mary Margaret McGuire, Betty Niccum, Elizabeth Fudge, Venice Thurman, Ina Dell, Freda McCarter, Harvey Coulas, Jr., Mary Faris, Grace Matteson, Gertrude Martin, Anna Howey, Austin Alzner, Jr., Ray B. Stephenson and Robert DeWolfe.

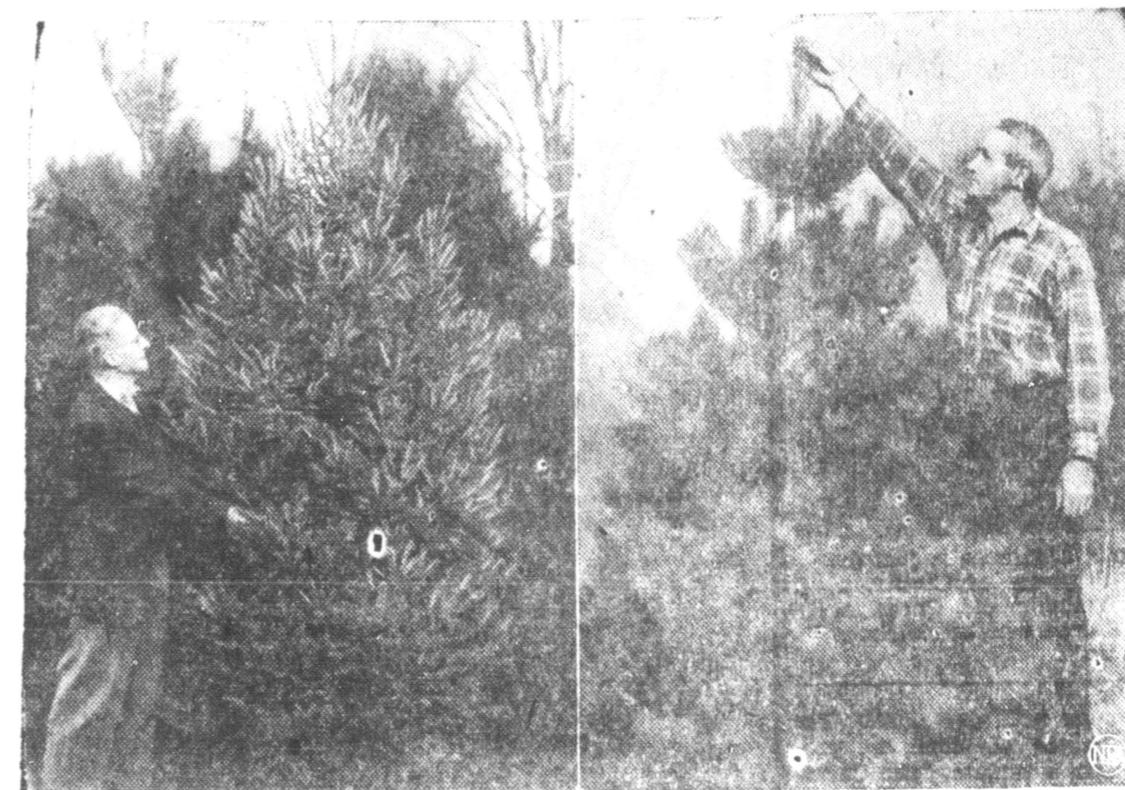

### Kids' Party Saturday

Children of this community are awaiting with eager anticipation the Christmas party to be given for them at three o'clock Saturday afternoon in the party room at the Moose Lodge Hall. The annual event is sponsored by both the Moose Lodge and the Women of the Moose, who have invited all children to this party, promising that Santa Claus himself will be there with a well filled pack and treats for everyone. A program of Christmas entertainment and movies will also be presented.

Use the liquid from cooked dried apricots as part of the liquid needed when you are preparing lemon gelatin. Turn the gelatin into a small square pan and chill until set. Cut the molded gelatin into squares and serve on crisp greens with cottage cheese and salad dressing. Serve for lunch after hearty bowls of split pea soup and croutons. The croutons will taste especially good if you make them by browning and crisping small squares of bread in plenty of butter or margarine.

### Don't Get Trimmed When You Buy Tree

Do all Christmas trees look alike to you? Here are some tips on buying them from Henry Pee, nationally noted horticultural expert of Cleveland, Ohio. "Beware when you see the needles turning brown," he says. It indicates the tree is not fresh and probably will start dropping its needles a few minutes after it is placed in a warm room. Don't buy it. Also pass up any tree, regardless of species, that doesn't have a filled-in and symmetrical shape, good green foliage and branches pliable but strong enough to hold lights and decorations. To keep a tree fresh in the home, saw off the butt end at least one inch above the original cut and stand the tree in a container of water as soon as possible. Since the tree absorbs the water, container should be refilled daily.

## Eagle Scout Rank For Bill Hitt

Bill Hitt, son of Mr. and Mrs. Howell Hitt, 1307 Edgehill, has become the fourteenth member of Grace Methodist church Boy Scout Troop 107 to attain the Eagle Rank since 1948. Rev. Frank Marston presented the Eagle Rank to Explorer Scout Hitt during the annual potluck supper and Advancement Night ceremonies held in the church dining room Wednesday evening. Eagle Scout Hitt is shown above with his parents.

With the attainment of Eagle Rank, Scout Hitt becomes a member of the Eagle Patrol of Troop 107, which is very unusual in that only Scouts who have attained the rank of Eagle Scout may be members of this Patrol. It is the only Patrol in the state in which all Patrol members are Eagle Scouts.

The members of the Eagle Patrol at the evening's festivities started master Joe Grojean welcomed the Eagle Scouts John Hamilton, with a potluck supper planned by a parents to the meeting and explained the purpose of the Advancement Night program.

Scoutmaster Grojean presented Oliver Buck, Institutional Representative, who in turn introduced Bruce Thomson as the new chairman of the troop committee. Mr. Thomson outlined plans for the coming year and then introduced the other members of the Troop Committee, Rex Henly, Al Henderson, Bert Whitlock, John Reeve, John Spencer, Howell Hitt, and Dr. E. C. Bone. Scoutmaster Grojean extended the thanks of the troop to retiring committee chairman, Walter Hamilton, and the members of his committee for the work well done during the past year.

David Bone "Best Camper" The presentation of advancement and recognition awards furnished the major part of the program. Scoutmaster Grojean presented the "Best Camper" award to Scout David Bone. For recording the greatest amount of advancement during the

past Scout year. Assistant Scoutmaster J. R. Davidsmeyer presented the "Conover Advancement Award" to Scout Dick Whitlock.

Assistant Scoutmaster Rob Smith conducted the Investiture Ceremony which inducted Candidate Scouts Chip Culbertson and Dale Thayer into Troop 107. He also presented them with their neckerchiefs and Tenderfoot pin. Scout Jared Hopper was awarded his pin indicating Second Class rank by Howell Hitt. Bert Whitlock presented First Class awards to Dennis Strubbe, Dean Lowe, and George Hoagland.

Bruce Thomson presented merit badge awards to the following Scouts: Kerry Kitter, Citizenship in the Community; Personal Fitness, Cooking, and Life Saving; David Buck, Fishing and Citizenship in the Home; Dennis Strubbe, Citizenship in the Home and Scholarship; Richard Spencer, Citizenship in the Community and Scholarship; Bill Sanders, Cooking and Electricity; David Reeve, Cooking and Wood Carving; John Wright, "...Reading and Scholarship; Dick Whitlock, Gardening; George Hoagland, Fingerprinting; Dennis Strubbe, Swimming; Dick Barton, Home Repair; and Bill Thomson, Bugling.

**Star Rank For Trio**

Star Rank was presented by Al Henderson to Scouts Richard Spencer, David Buck, and Dennis Strubbe. This rank is awarded to First Class Scouts who have earned five specified Merit Badges.

Life Rank Awards were presented to Dick Whitlock and Jim Henderson by Oliver Buck. The Life Rank is awarded to First Class Scouts who have earned ten specified Merit Badges.

Eagle Patrol neckerchiefs were presented to the members of the Eagle Patrol. These neckerchiefs were designed by the boys in the Patrol and were made to the specifications they drew up. Only members of the Eagle Patrol, Troop 107, will wear this special neckerchief.

Al Price, Scout Executive, presented the 1955-1956 Scout and Explorer Charters to the Institutional Representative, Oliver Buck. He also spoke on the values in Scouting and the work Grace Methodist church has done over the years in sponsoring Troop 107.

Al Henderson spoke in behalf of the parents and extended their thanks and appreciation for the one responsible.

The work of Scoutmaster Joe Grojean, Assistant Scoutmaster J. R. Davidsmeyer, and Assistant Scoutmaster John Linebaugh in directing the Scouting activities in Troop 107. The final part of the program was the viewing of the motion picture record of the annual spring trip taken by Scouts of Troop 107. The trip last June 1955, was taken through the South and was recorded on film by Assistant Scoutmaster Linebaugh.

### DEMON JET FIGHTERS STILL ARE HEADACHE

ST. LOUIS (AP)—The case of the grounded Demon jet fighters has hit another snag.

McDonnell Aircraft Corp reported Thursday a way still hasn't been found after one month of study, to get the jets to river barges for transportation to Navy training centers.

Wings of the planes fold upward too high for some highway underpasses. If the wings were locked in flight position, they would be too wide for any highway.

The 21 jets' engines were found

HERE'S FIRST MODEL OF EARTH SATELLITE—It's on display at the American Museum-Hayden Planetarium in New York City. Encased in a transparent plastic sphere, the works of the projected artificial moon are clearly visible. Standard of subminiature electronic parts are used to show the kind of instruments that may be used in the actual satellites the United States plans to launch within two years. The model, 18 inches in diameter and weighing 25 pounds, was built by Associate Editor Herbert R. Pfister of Popular Science Monthly. He consulted scientists working on the program.

### Women's Club At Greenfield Will Meet On Dec. 21

GREENFIELD — The Woman's club meeting has been postponed from Wednesday night, Dec. 14, to Wednesday afternoon, Dec. 21. Mrs. Frank McCarthy of Jacksonville will be guest speaker on the subject "The Holy and Today" at the Christmas meeting of the Woman's club to be held Wednesday afternoon, Dec. 21, in the social rooms of the Methodist church. Mrs. McCarthy will show films which were taken on her trip to the Holy Land during the past summer. Group singing of Christmas carols and gift exchange will be features of the afternoon. Mrs. Russell Ruggs is program chairman and Mrs. Frank Hodapp, Mrs. Wilbert Joyce, Mrs. Hilbert Becker, Mrs. Floyd Crist, Mrs. William Lahr, Mrs. W. L. Greene, Mrs. S. D. McPherson, Mrs. Harold Wright, Mrs. Carl Neil and Mrs. Joe Powell are members of the hostess committee.

Mrs. Kile Love was hostess to members of the Missionary society of the Presbyterian church Thursday afternoon at the Christmas meeting. A gift exchange was a feature of the afternoon. Alumni Dance Dec. 26

The Greenfield High school Alumni association is sponsoring a dance to be held in the high school gymnasium on Monday night, Dec. 26, from 9 to midnight. Boots Brennan's orchestra of Jacksonville will furnish the music. Claude C. Sousley is president of the alumni association. Mr. and Mrs. Willard Hamilton, Mr. and Mrs. Edwin Frazer, Mr. and Mrs. Merlin Scanlan, Mr. and Mrs. Howard Elmore and Mr. and Mrs. Hubert Cole will entertain the 105 members of the seventh and eighth grades of the Greenfield grade school at Christmas dance to be held Thursday, Dec. 22, from 8 to 10:30 p.m. in the high school gymnasium. Supt. and Mrs. Fred Crockett cap. One raccoon was all that was taken.

#### UNION OF VOTES

DETROIT (AP)—Three Wayne University professors say a survey they conducted among 828 CIO United Auto Workers indicated the members are "predominantly loyal to the union's political endeavors."

In 1952 about 75 per cent of the UAW's more than one million members voted for Democratic nominee Adlai Stevenson for president, the survey said. It also said 85 per cent of the auto workers voted for Michigan's Democratic Gov. D. Mennen Williams in the last state election.

## A Tribute To Our Churches

We bring this message to all the churches of our city. It is a message of deep appreciation for your services and for your faithful consecration to the life of Him who died on the cross. The church is the spiritual gathering place for those who would worship in reverent communion and prayer. It is the cathedral of contemplation, whether it be an impressive edifice or a humble meeting house. Here we have churches of many denominations . . . and God lovingly invites you to attend the one of your choice. Let's all go to church every Sunday. Let's pray for the redemption of the world.

GRAVE DECISION — A coffin protrudes from this monument in a churchyard at Pinner, England. It's said that one John Loudon "buried" his father in mid-air to keep relatives from getting the dead man's money. Loudon supposedly believed the estate couldn't be touched until his father was "under ground."

### Royal Neighbors Of White Hall Elect Officers

WHITE HALL—R.N.A. Camp No 987 held election of officers on Tuesday night at the IOOF Hall with the following results: Oracle Mae DeShaw; vice oracle Gladys Sadler; recorder Lena Hudson; receiver Dorothy M. Young; chancellor Nora Gorrich; marshal Panama McCarthy; inner sentinel Crystal White; outer sentinel Lena Bertram; manager Letha Ford; camp physician Dr. R. W. Piper. These and appointive officers will be installed at the first meeting in January.

The group voted to hold a "belated" Christmas party on Dec. 27, with a ham-potluck supper at 6:30, followed by a gift exchange and entertainment. Ham and coffee for the supper will be furnished by the Lodge. A cash donation of four dollars was made to the "Gifts for the Yanks" program now being sponsored by the American Legion and Auxiliary. A Memorial service was held for the late Mabel Sweetin and Arrie Walker.

### Mrs. F. L. Hubbard Describes Visit To Other Lands

VIRGINIA — At the December meeting of the Virginia Woman's club, Mrs. F. L. Hubbard who spent the past summer with her son Lt. Col. F. G. Hubbard and family in Switzerland and Austria, was guest speaker. She also spent three weeks with relatives in Norway and visited many places of interest.

Mrs. Hubbard traveled by Pan American Airlines, going from Chicago to Detroit, Mich.; Gander, Newfoundland; Shannon, Ireland, London, Amsterdam and Frankfurt, Germany.

Her description of "Germany Today," was especially enjoyed by the group. She reminded them that Germany today is one of the greatest problems of international relations and is the No. 1 problem in British Foreign policy. Germany has suffered greatly since 1939. Its boundaries have changed and are not yet fixed and it is politically divided into two federal republics. Cities and towns have been obliterated.

Evidence of World War II could be seen in Stuttgart. One-third of that city was burned and three mountains were built at the edge of town from the rubble. The Castle on Palace Square, in the center of town, was damaged and is now being rebuilt with its moat and drawbridge.

The \$1 billion dollar Marshall Plan helped bring about the achievements and the factories were booming. They manufacture furniture, china and crystal, mechanical toys, leather goods, tools, silverware and chemicals.

Hamburg has the largest harbor and can accommodate 250 ships and sends out cargo to all parts of the world.

Mrs. Hubbard described her trip by auto down the Rhine River, passing Bingen, the Lorelei and the Mouse Tower and witnessed the festival at Koblenz, where an operetta was performed on a floating stage with the audience seated on the bank of the Rhine. Thousands attended in native costume and there was feasting, dancing and singing all day.

### THE NEW TOLL SWITCHBOARD

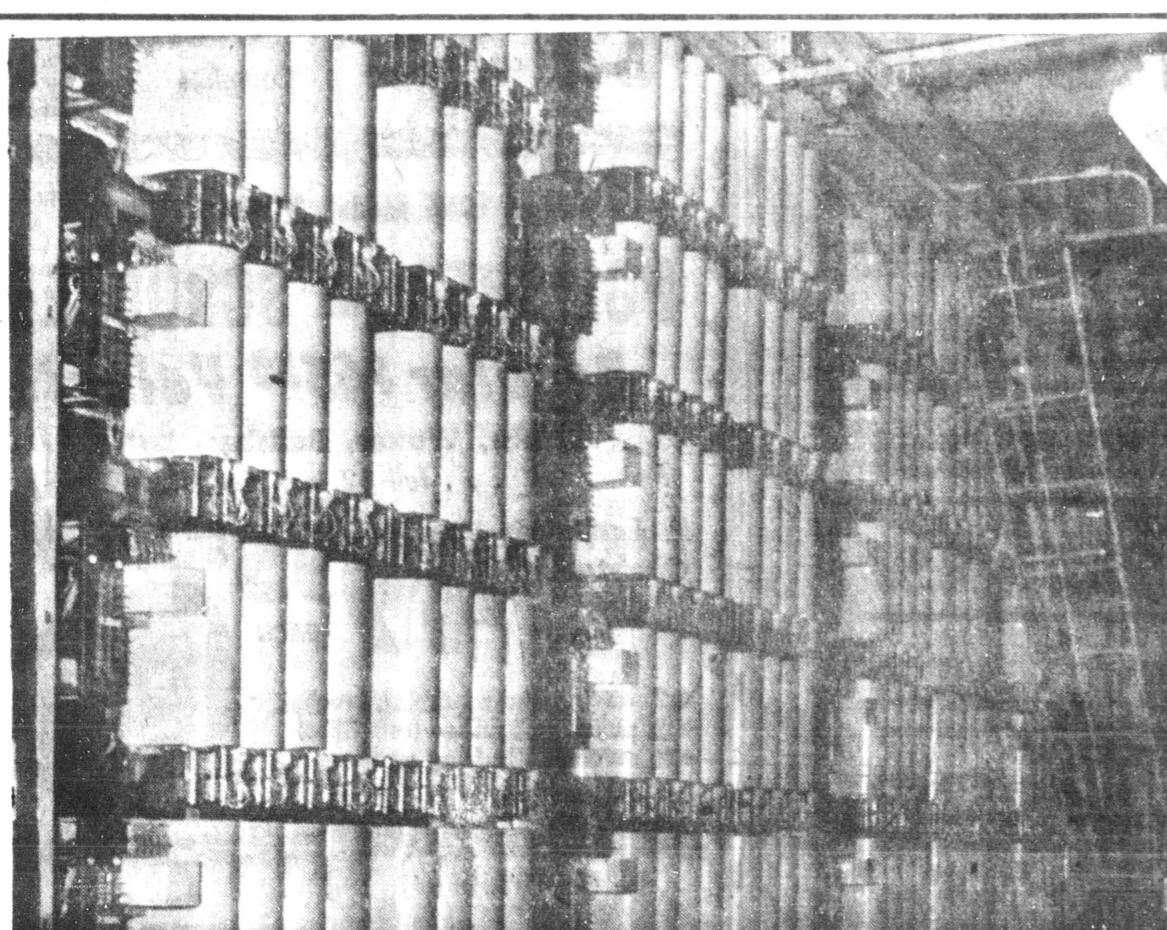

The Illinois Telephone Company, in addition to installing the new automatic Dial System for Jacksonville, has also placed into service the very latest engineered Toll Switchboard. This improvement will bring the world as close to you as your telephone and will greatly speed the handling of all long distance telephone calls. Direct lines to many major cities will mean that incoming as well as outgoing calls will be handled much quicker.

Jacksonville can justly be proud of this big improvement in its telephone service.

### YOUR MECHANICAL TELEPHONE OPERATORS

Banks of equipment like shown above house the Selectors which are the brains of the new Automatic Dial Phone System which the Illinois Telephone Company has just put into operation in Jacksonville.

These Selectors receive the impulse as you dial a telephone number. Each Selector has 100 connections and over 500 wires. They are the mechanical operators placing your telephone calls.

## Glenn Martin Co. Considers Construction Of First Earth Satellite All In Day's Work

BALTIMORE (P)—What happens and personnel change inside an aircraft company when it gets the contract to build and Glenn L. Martin Co. is concerned. Alas, the earth satellite is all in a day's work.

"We look on it as just another project," said E. J. Uhl, 37-year-old vice president of operations for Martin.

Does the company go into a tailspin of reorganization, expansion

ware involved, is not surprising. The pioneer aircraft firm has long been building warplanes for the military and currently is engaged in production of rocket missiles and highly heralded warplanes for both the Navy and Air Force.

Project Vanguard actually will entail a smaller personnel force and less production floor space than will the P6M SeaMaster, the world's first multijet attack seaplane which Martin hopes to start delivering to the Navy in quantity next spring.

Despite reports and rumors to the contrary, Martin officials say they plan no expansion program to handle work on the earth satellite program.

The sprawling Martin plant — actually two plants, one of them government owned — covers 1,100 acres on Middle River, about 10 miles east of downtown Baltimore.

Martin will not build the entire

satellite and its launching mechanism will be handled by other firms.

Martin probably will produce 90 per cent of the hardware right in its Middle River plant, according to Uhl. Included would be the air frame, the control system, the guidance system, the launching system and the fuel supply system.

A total force of probably 200 Martin engineers will be engaged on the project ultimately.

BECKLEY, W. Va. (P)—Mayor A. K. Minter is asking Beckley residents just to leave their telephone number when they call him on city business, and assures citizens he will return the call personally. Minter explained:

"I want to stress the fact that my wife is not mayor of this city and has nothing to do with the city government. I would appreciate it if persons calling in complaints would not get sarcastic with her."

DINNER DATE—"Pinky," the cat, has "Dotty," the parakeet for dinner—as a guest, not as the main course. Both are pets of the Willard Loo family of Milwaukee, Wis. They get along fine, occasionally sharing a bowl of milk.

### Bloodmobile On Jerseyville Trip Gets 237 Pints

JERSEYVILLE—During the two-day visit of the Red Cross Bloodmobile Unit to Jerseyville Friday and Saturday a total of 237 pints of blood was collected. Two hundred sixty-three donors presented themselves during the visit, 150 on the first day and 113 on the second. Of this number 26 were rejected for various reasons.

The units collected 103 were for specific replacement of blood lost in accidents.

been a total of 153 pints of blood used for patients at the Jersey Community hospital in the past six months.

During the visit of the Bloodmobile a large number of "walk in" donors reported and the response to the program on the whole was good. The need for blood is desperate, the supply at the Blood Center in St. Louis being at such a low ebb last week that a call was placed to other centers in an effort to secure blood for the St. Louis Center for emergency cases.

Ten Jersey county people received their pins as "Gallon" donors during the visit here. They are: William K. Wieland, Grafon; John Bonah, Elsah; Dr. B. H. Kueg, Lloyd Sunderland, Al-

bert Kallal, Clem Groppel, Jr., Roger Goetten, Miss Genevieve Goetten and Mrs. Howard Manning of Jerseyville and Donald E. Martin of Fieldon.

#### COINING A PHRASE

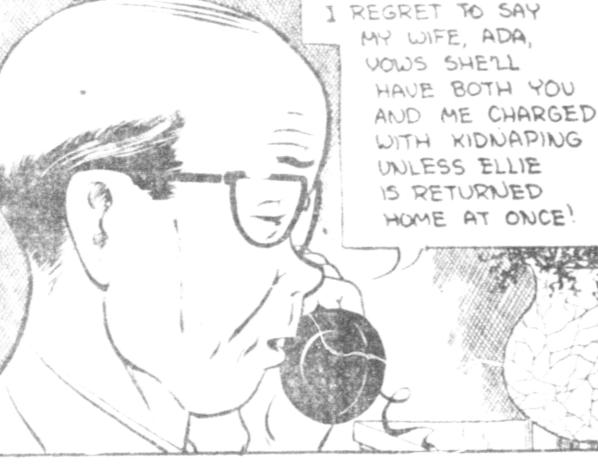

DETROIT (AP)—George Ballard's traffic ticket was dismissed when he called Traffic Referee John M. Wise long distance from Chicago. He explained his car was ticketed for over parking when police requested he stick around as a witness to a traffic accident.

Referee Wise said he was impressed by the sincere sound of Ballard dropping quarters into the pay telephone at the other end of the line.
